Tinley Park Festival Sept. 4-5-6

3-DAY PROGRAM FILLED WITH ENTERTAINMENT AND FUN FOR ALL

Free Movies, Dancing, Parade, Air Show, Fireworks, Stage Shows, Contests, Music

Revelry Rampant in Tinley Park This Week End

Busy hands of Tinley Parkers and nearby residents rush to utilize this last week to finish preparations for participation in their giant community festival Saturday, Sunday and Monday. Churches, clubs and business men as well as individual citizens put last bits of bunting and frills in place on floats which will make the event the most colorful in the history of the area.

Readers are asked to avoid the holiday packed highways and wind up the vacation season safely by making Memorial Park their headquarters all three days.

The fun packed program teams with free entertainment and opportunity to win prizes. The community festival will open Saturday, September 4 with a welcoming address at 6 p.m. by Mayor Wesley Stemm. There will be no charge for admission to the grounds of Tinley Park Memorial park. All visitors to the grounds are asked to register at the administration booth where they will be given a numbered ticket for the free daily attendance awards. Winners must be on the grounds at the time to be eligible for this daily award. Brown Campbell will be master of ceremonies and will make all official announcements.

From 8 to 9 p.m. there will be movie features through the courtesy of the Business men's association.

Outdoor dancing in the cool evening breeze will be presided over each night from 8 to 12 by the famous Rhythm Kings orchestra. Their lively numbers under the stars will be a refreshing departure from hot stuffy ballrooms. The novel arrangement will permit couples to leave the dance floor at will for refreshments or other entertainment on the grounds. Charges will be quite reasonable.

Sunday afternoon, September 5th, the park will open at 2:00 o'clock with an air show at 2:30 by Prosper of Tinley Park, Theodore Farrington and Frank Cresto. These pilots from Prosper airport have been doing this type of exhibition work for eight years and the performance will be well worth seeing.

At 3 o'clock the Sportsmen club will offer a ball game such as only their tip top season's perfection can produce. Their opponents will be Harvey with a

rating of one of the strong teams in the league.

At 3:30 the Home Bureau advisors in charge of Mrs. Claradel Upham of Bremen Home bureau, will judge the baking contest. This is a free contest open to all and prizes will be awarded. Although not necessary it will be helpful if those planning to bring bakery goods will call Mrs. Jeffords Tinley Park 398 at once.

At 4 p.m. all bakery goods will be sold and proceeds given to Mrs. Bockstaher, treasurer of the Recreation commission. Following this event, Tex Mangun will present his all amateur western horsemen in 4 lively numbers such as Broom polo; relay races; mounted square dancing; and musical chair. Outdoor dancing will continue from 8 to 12.

Labor Day, Monday, September 6 the festival will open with a gay parade in colorful glory. Marchers and floats will assemble at 177th street and Oak Park avenue at 1:30 p.m. The colors and members of the American Legion and VFW with their respective Auxiliaries will lead out at 2 o'clock. Music will be furnished by the Tinley Park band, Lemont Community band and Crestwood Community band. The line of march will be north on Oak Park avenue to 171st, then east to Memorial park. All those interested to march or enter floats or decorated objects can help by calling Ray Jacobs Tinley Park 596 now.

Additional color will be added by Tex Mangun's stage coach and prairie schooner, escorted by his Western riders.

Variety stage shows will be presented at 7:30 and 9:30 p.m. There are still a few spots on these shows for entertainers desiring to volunteer an appearance. Dancing will again be a feature from 8 to 12.

Grand prizes will be awarded at 10:30 followed by a magnificent fireworks display absolutely free, personally supervised by Tom Naples an expert in the design and manufacture of awe-inspiring creations.

Plan to eat all your meals of home cooked foods on the grounds.

The committee says: COME! HAVE FUN WITH US IN TINLEY PARK SATURDAY, SUNDAY AND MONDAY, SEPTEMBER 4-5-6.

Peacetime Registration Started Monday to Continue to Sept. 18

Monday, August 30 was a most important day in the lives of several million Americans, for on that day all men between the ages of 18 and 26 began again to register under the new Selective Service law.

Col. Paul G. Armstrong, state selective service director, who served in like capacity during World War II, stated that the registrars will be divided into veterans and non-veterans at the time of registration.

Draft registration for all Will county men is being made in the Veterans' headquarters, 12 Webster street, Joliet in the American Legion building, at least for time being.

Will county has two draft boards under this new peacetime draft program, and one of the members of this board is a Mokena man, Arthur C. Geuther.

Others serving on this board are: John E. Legan, Walter James Ruddy, Carl Guardia, Joseph A. Bursa, Edward M. Brennan all of Joliet on one board; and serving on the other board are: Carl Ehrhardt, Beecher; Mr. Geuther, Mokena; Rev. Gilbert C. Bengston, Lockport; David Joseph Feeley, Wilmington and Richard Ira Jones, Plainfield. All these men had served in the same capacity during World War II, when there were five boards in Will county. It is thought that these two boards will be sufficient for the time being.

Following is the registration schedule: Persons born in 1922 after August 30, 1922 registered Monday.

Persons born in 1923 registered Aug. 31 or Sept. 1.

Persons born in 1924 shall be registered on Sept. 2 or 3.

Persons born in 1925 shall be registered on Sept. 4 or Sept. 7.

Persons born in 1926 shall register on Sept. 8 or Sept. 9.

Persons born in 1927 shall register on Sept. 10 or Sept. 11.

Persons born in 1928 shall be registered on Sept. 13 or Sept. 14.

Persons born in 1929 shall be registered on Sept. 15 or Sept. 16.

Persons born in the year 1930 before Sept. 17, 1930, shall be registered on Sept. 17 or Sept. 18 1948.

Those reaching 18 years of age after Sept. 18 are required to register at their respective boards within five days after his 18th birthday. Continuing registration is provided for these men

Important Dist. AAA Meeting in Dixon

A meeting of great importance to farmers, was held in Dixon August 31 and was attended by the new AAA chairman, Conrad Borms, of Peotone, Andrew W. Swanberg, Manhattan, vice chairman and Christ Kohl, Mokena, committee member and Wayne G. Churchill, Will county farm adviser.

This was one of four district meetings called by Lee M. Gentry, State production and marketing administration chairman for the purpose of surveying the entire grain storage and to make plans for meeting what is thought to be an immediate and critical problem.

The problem is critical because of the prospects of a tremendous production this year of all major crops. Large crops mean beside storage, transportation and marketing troubles and sometimes price difficulties. As it is impossible for all producers to market at harvest time, much of the crop especially corn, will have to be stored on the farm, which now appears to be inadequate.

Because of illness, Byron Gaskill of Joliet, who has been AAA chairman for Will county for the past 15 years, resigned and Mr. Borms advanced to this position. The latter has been a member of this AAA committee for the past 12 years and has served as vice chairman for six years, and is well qualified to fill this position.

The many members of this organization feel the keen loss of Mr. Gaskill, as he was known for his ability as an administrator and his kindly handling of their problems.

Estate Divided By Will to Wife Son and Sisters

The will of the late William Twietmeyer of Rich township, who died April 28, was admitted to probate in Cook county's court in Chicago last week.

In his will, the testator left to his wife, Mary of Frankfort, certain land in Cook county; all his personal property, securities and money on hand. His son Arthur, is left a parcel of land in Will county and is to pay his mother, sisters Hilda Henke, of Tinley Park and Linda Schmeckpepper of Mokena, \$2,000 each and the funeral expenses.

Marilyn R. Riemann and Robert Laurion Exchange Vows in St. John's Church

At a lovely church wedding which took place in St. John's Evangelical church in Mokena Saturday evening, August 28 at 7:30 o'clock, Miss Marilyn Ruth Riemann, daughter of the pastor of the church the Rev. and Mrs. William Riemann, spoke marriage vows with Mr. Robert Laurion. The groom's parents are Mr. and Mrs. L. B. Laurion of Cranford, New York who came to Mokena for the occasion.

The church chancel was decorated with palms, ferns, white gladioli and lighted candles. Rev. Riemann presided at the double ring ceremony.

Mrs. Howard Strassenberg played a group of selections on the organ as the guests were arriving, and also accompanied Mr. Arthur Lambrecht of Frankfort, when he sang "O Promise Me," "I Love you Truly," and "Prayer Perfect."

The bride was escorted by her uncle William Meyer of Lansdowne, Pennsylvania and was lovely in a white tulle gown. It was made with colonial lines, finger tip sleeves, a sweetheart neckline, tight bodice and full skirt with a long train. Her fingertip veil fell from a poke bonnet trimmed with seed pearls and she carried a colonial bouquet of white steffonitis centered with two natural orchids. A string of pearls, the gift of the groom, was the bride's only jewelry.

Miss Dorothy Riemann served her sister as maid of honor. She wore a green taffeta colonial gown with matching net mitts and carried yellow gladioli. Miss Joanne Miller, classmate of the bride at the Wesley Memorial hospital in Chicago, and Miss Jane Reid of Chicago were bridesmaids. Their gowns were fashioned the same as that of the maid of honor and were of chartreuse taffeta, matching net mitts, and carrying colonial bouquets of maroon gladioli. Each bride's attendant wore matching ribbon bows in their hair.

The little flower girls, Beverly Meyer of Chicago and Karen Meyer of Dolton, cousins of the bride, wore yellow taffeta formal with yellow hair ribbon bows and carried bouquets of mixed flowers.

Mr. LeRoy Laurion served his brother as best man. The ushers were, Dr. Robert Riemann, brother of the bride of Ottawa, and Mr. William Mann, of Chicago, a buddy of the groom's in the South Pacific.

The bride's mother was gowned in gray crepe with black accessories and an American beauty hat. Mrs. Laurion the groom's mother, chose blue crepe

with lace trim, black accessories. Each mother's corsage was of double gardenias.

A reception was held in the church parlors immediately following the ceremony and was attended by 350 guests. A buffet luncheon was served by the wives of the church officers and officers of the women's guild.

After the bride and groom cut their four tiered wedding cake, the bride pinned the gardenia corsage, which graced the top of the cake, on the shoulder of Mrs. Lawrence Laurion, aunt of the groom of Chicago, who served the cake to the guests. Mrs. Adolph Steen and Mrs. Robert Riemann presided at the coffee urns and Misses Jean Shevlin and Lois Mancke served at the punch bowl. Mrs. Frederick Whitlark was in charge of the guest book.

Guests were present from California, New York City, New Jersey, Philadelphia, Minneapolis, Chicago, and other places in Illinois. Among the guests was Mrs. Sophia Schleuter of Rock City, Ill., who is the god mother of the bride and who is a guest for the week in the Riemann home as well as Mrs. Riemann's brother and wife, Mr. and Mrs. William Meyer of Lansdowne, Pa.

The new Mr. and Mrs. Laurion left that same evening by motor for a trip to Maine where they will spend some time in a cottage, and returning will spend a few days with the groom's parents in New York. The bride's going away attire was a black suit with white accessories and two orchid corsage taken from her bridal bouquet.

They will go to housekeeping at 534 Surf street, Chicago. The bride will continue her training at Wesley Memorial hospital where she will receive her degree in nursing education in the spring. The groom is employed at West ern Electric in Chicago and working on his master's degree in engineering at Northwestern college.

The bridal party of 30 guests were entertained at a seven o'clock dinner in the parsonage Friday evening, at which time the bride presented to each of her attendants a gold lavalier with seed pearl trimming. The groom also presented his gifts to his attendants.

Mrs. Fred Brown served the dinner and the League members Ursula Thiel and Maryann Whitlark and Joan Luf low served at the table. Mrs. Helen Scheer assisted Mrs. Brown.

3RD ANNUAL AFFAIR TO START AT NOON IN SCHMUHL'S GROVE

Sheldon Hauck Heads New Lions Club in New Lenox

A new organization has been formed in New Lenox. It is a Lion's club and was sponsored by the Joliet Lion's club, at a meeting held in St. Jude's Catholic church in New Lenox last Wednesday evening. The women of the Altar society served the dinner with 22 in attendance.

The first meeting of the group was just the starting and was held in conjunction with the regular Business men's association meeting. The second meeting was in the IGA store with the first 10 members joining.

Hank Frieberg, Lion International organizer officiated at the ceremony and the principal address was given by Arthur B. Kelly of Joliet, district governor.

Officers elected for the new club are: Sheldon Hauck, president; Charles Cornahan, first vice president; S. P. Sargeant, second vice president; Geo. Vally third vice president; Lloyd Berlin secretary Carl Hunter, treasurer; Otto Bormet Lion Tamer, C. A. Padzuikas, tall twister. Board members are: Fred Francis, Elmer Walters Darwin Cooper, and Harvey Frick and Rev. Reynold Klaes chaplain.

Members of the club are: James B. Sherwood, Peter Rob, Leslie Brownlee; Amos C. Bruns, Frank Vally, Earl Schroeder; George Marshall; Frank Dolishek and Bernard Smego.

Helen Reimer and Gene R. Krohn Wed In Joliet Church

Gowned in heavy ivory satin, Miss Helen Marie Reimer, daughter of Mr. and Mrs. August Reimer, 1526 East Cass street, Joliet was married to Gene Roger Krohn, son of Mrs. Ella Krohn of New Lenox, and the late William Krohn at three o'clock Sunday afternoon in the First Lutheran church at Joliet.

The candlelight, double ring ceremony was read by Rev. John Goeken, before an altar banked with bouquets of multicolored gladioli and ferns.

Miss LaVonne Blanchard, wearing yellow taffeta lighted the candles. She wore a wrist bouquet of aqua asters.

Miss Jean Rydberg was the soloist and sang "Always" and "Because" before the entrance of the bridal party, accompanied by Mrs. Alberta Larson, at the organ, and "The Lords Prayer" during the ceremony.

The brides lovely gown had an illusion yoke of sheer starched marquisette edged with seed pearl embroidery and lace. The long sleeves came to points over the wrists. Her fingertip veil was held in place with a coronet of veiling trimmed with seed pearls. She carried a bouquet of white asters, centered with a natural orchid, tied with white satin ribbons.

Miss Ruth Riemer, sister of the bride attending as maid of honor was wearing a blue taffeta gown fashioned with a high neckline and large bow, giving a bustle effect. Her bouquet was of pink asters. The bridesmaids, were Miss Carol Krohn, sister of the groom wearing nil green taffeta, and carrying a bouquet of orchid colored asters; and Miss Betty Schmekel, cousin of the bride, wearing orchid taffeta and carrying aqua asters. Their gowns were fashioned like that of the maid of honor. The girls all wore white lace fingerless mitts, and rhinestone bracelets which were gifts of the bride.

Dale Krohn served his brother as best man. Ray Riemer, brother of the bride and Harold Reinhardt were the groomsmen. George Riemer, brother of the bride and Glenn Krohn brother of the groom were ushers.

A reception followed in the home of the brides parents, for approximately 150 friends and relatives. The serving table was covered with a lace cloth, and centered with a three tiered wedding cake. Tall white tapers in crystal holders decorated either end of the table. Mrs. George Riemer sister-in-law of the bride cut and served the cake at one end of the table, and Miss Doris Yunker poured.

A black crepe dress with white accessories and a corsage of white asters were worn by Mrs. Reimer for her daughters wedding, while the mother of the bridegroom wore a charcoal grey dress and hat with black accessories and a corsage of white asters.

The new Mrs. Krohn was wearing an aqua blue gabardine suit with brown accessories and an orchid corsage, when they left for a two weeks wedding trip out west.

Out of town guests were present from South Bend, and Indianapolis, Ind., New Lenox, Mokena, Lockport Blue Island and Chicago.

The members of the Volunteer fire department of New Lenox have been working hard for the past month to complete plans for their third annual picnic which will be held at the Schmuhl's grove on Labor Day.

This grove is located two miles east of New Lenox on route 30, and if the weather is as good as it is planned to be, they will have their usual good crowd, and good time.

The New Lenox school band will present a concert which is always much enjoyed.

Fire Chief Frank Vally and Ernest Pfeifer, assistant fire chief, have announced that there will be good entertainment, among which will be pony rides for the kiddies, and various games. They also have announced that the money derived from the picnic will be used to buy additional fire equipment which is needed.

The members of the VFW auxiliary are in charge of the refreshment booth, and they are planning good eats and refreshments for all.

Miss Jean Shevlin Honored with Bridal Shower in T. P. Home

Mrs. Norman Bormet entertained in her home in Tinley Park last Wednesday evening with a miscellaneous shower honoring Miss Jean Shevlin of Mokena, who will become the bride of Mr. Emory Fulton September 11.

The hostess presented the honored guest with an orchid corsage upon her arrival. The home was decorated entirely in white using bells with long streamers which decked the rooms.

The table where the bride-to-be and her attendants were seated, was centered with a "shower of happiness" cake. It was topped with a miniature bride and groom. A bride doll, flanked with candles which were trimmed with lilies of the valley completed the table arrangements.

A decorated basket, filled with lovely gifts was presented Miss Shevlin. Various games were played with prizes given and duplicate prizes going to the bride-elect. Refreshments were served by the hostess to the 25 guests.

FIRST MASS IN NEW CHURCH SUNDAY IN LINCOLN EST.

A mission will be held in the new Catholic church in Lincoln Estates, starting Sunday, September 12 through September 19, conducted by Missionary Rev. Ronald Dinn, O.P.M., army chaplain in the late war.

Rev. Fr. Benedict Pfeifer, priest in charge of the church is extending an invitation to all catholics in Lincoln Estates and Frankfort and also non-catholics to come and listen to the lectures each evening.

People of Mokena had the privilege of hearing Father Dinn during mission week in Mokena a year ago. His inspiring talks were highly appreciated. Everyone is welcome.

An invitation is also extended to all people of Lincoln Estates and Frankfort to attend the first Mass in this new church this Sunday at 10:30 a.m.

Trash Fire Built Near Empty Oil Tank Causes Explosion

Sunday morning Frankfort experienced what might have been a serious fire, when an explosion took place in the backyard of the Daniel Johnson's home, and across the alley from the F. J. Kohlhaugen garage.

It is reported that Mr. Johnson built a fire that evening burning some trash and that the fire was close to the tank in which he stores fuel oil. The latter was within a few feet of the house. Thinking the fire was burned out, the family retired.

About 2:30 in the morning Mrs. Johnson awakened her husband and told him that she smelled smoke. He at once went to see what it was, and all of a sudden there was a terrific blast. It was the fuel tank which had exploded. At the same time it so happened that several Frankfort people were returning from out of town and they saw and heard the explosion and at once called the Frankfort fire department, who were on the job in a few minutes.

The firemen found that the bottom of the tank had blown out and that a small uncompleted room which Mr. Johnson had built on the house, was partly wrecked. Fortunately there was only a little oil in the tank at the time, which was still burning and which the firemen extinguished with chemicals.

WAR HEROES TO BE HONORED IN NEW CITY PLAN

Many in this area have been watching with keen interest and wondering about the huge building activities going on south of the Lincoln highway between Matteson and Chicago Heights.

The fact is they are witnessing the birth of a new city, which is to cover approximately 2,400 acres and to have an estimated population of 30,000 within five years. A 3,010-unit rental section is now being built, with priority being given to veterans with children, to rent these homes. Homes for sale are planned for later construction.

"Park Forest," as this town is temporarily called, is within thirty miles commuting distance from the Chicago loop on the Illinois Central. The site is bounded on the north by the New York Central and the E. J. & E. outer belt line, on the west by the Illinois Central, on the south by the old Sauk Trail and on the east by Western avenue and the forest preserve.

Here, on some 2,400 acres of beautiful, rolling suburban parkland, private business is giving the challenge to incipient socialism, by applying the dynamic, imaginative kind of private enterprise that has distinguished the American capitalistic system at its best and proving that private capital CAN efficiently serve social ends.

Here, through the agency of the American Community Builders, Inc., of Chicago, the New York Life Insurance company, the Northwestern Mutual, and the Sun Life of Canada are investing some \$27,500,000 of their policy holder's money in a constructive city-building activity that is the largest private project of its kind in the country.

A happier family life in "tomorrow's town today" is the object of this great enterprise. City conveniences in a suburban parkland, modern home life at its finest, environment of comfort and a healthful environment of comfort and safety—"Your dream home come true"—these are some of the claims made for this big home-building enterprise. And they do not seem to be exaggerated as applied to this harmonious community of homes, built as it is upon a combination of all the best principles of modern site planning.

Moreover, to all this practical mater-

\$237.38 Tax Paid On E. Klose Estate

Dividing her estate among two brothers, a sister, a niece, and nephew the late Mrs. Elizabeth Klose of Mokena disposed of her estate valued at \$22,302 according to her will which was recently admitted to probate.

To her brothers, Christ A. Sangmeister of Frankfort, and to her sister, Magdalena Laun of Chicago, was given \$7,434 each. They were given a \$10,000 tax exemption.

The only tax paid was through the bequest of \$2,487 each to a nephew, George C. Sangmeister, and a niece Clara Bennett, both of Frankfort. They each received a \$500 exemption, each paying \$118.69 on their share.

ial planning, something else-sentimental has been added:

The streets of this new town are to be named for the Illinois boys of World War II who have won the distinction of winning the Congressional Medal of Honor.

One street, Bailey road, will honor Medal of Honor-winner, Major Kenneth D. Bailey of Danville, Illinois.

As a young US Marine Corps officer on Guadalcanal, on September 12, 1942, Major Bailey suffered a mortal wound early in the fight, but, by his personal valor and the inspiration of his indomitable fighting spirit upon his troops, he helped the small marine corps unit to repulse and defeat the Japs and hold Henderson Field for the Americans. Then Major Bailey died.

Recently his body was returned home for permanent burial in his native state. And now the new city which is being created in this same state is being dedicated to the same spirit and character represented by the heroic acts of Major Bailey and other congressional Medal of Honor winners, and of the thousands of other veterans whose deeds have gone unrecorded, according to Mr. Philip M. Klutzwick, president of the company behind this new town-which is being built as a place where veterans and their families can find the homes of which they dreamed during the long war years.

"The American Community Builders," says Mr. Klutzwick, "feel that

the contributions of these heroes is the truest example of the best traditions of the American way of life, and to perpetuate the memory of these deeds we believe that it is quite fitting to name the streets of Park Forest after Congressional Medal of Honor winners from the state of Illinois."

In addition to Bailey Road, streets will be named for S/Sgt. Stanley Bender, USA, 8751 S. 52nd avenue., Oak Lawn, Ill.; M/Sgt. Vito R. Bertoldo, now living at 45 Whitney street, San Francisco, Calif.; Elmer C. Bigelow, WT2c USNR, deceased, survived by his mother, Mrs. Verna B. Perry of Hebron, Ill.; S/Sgt. Clyde Lee Choate, USA, Anna, Ill.; Capt. John Philip Cromwell USN, deceased, survived by his widow, now living at 1165 Harker avenue, Palo Alto, Calif.; T/Sgt. Russell Dunham.

First families in this all-veteran rental community were scheduled to move in about August 15th, according to Abner Silverman, rental director, who indicated that applications from veterans for October occupancies are still being taken at the builders' offices in Chicago. The largest rental housing development in the nation, the Park Forest project marks one of the first attempts of a private enterprise to build an entire city out of raw acreage.

Indicated 1948 production of broom-corn in Illinois at 1,500 tons is a record low, being about 25 percent below last year's short crop and less than 25 percent as large as the ten-year average. In 1935 the peak production year, Illinois produced 14,800 tons. Only 5,000 acres are expected to be harvested this year. Yields are expected to average 600 pounds an acre, 20 percent larger than last year's yield.

visited with relatives on Silver Lake in Wisconsin. Their nephew George Zeleznik of Wisconsin returned home with them for a few days.

Mr. and Mrs. Harvey Johnson motored to Saugatuck, Mich., Sunday where they visited with Mrs. Julia Tart at her home on Goshorn Lake.

Mr. and Mrs. Floyd Bastin have returned to their home in Milwaukee, after spending a week with his sister Mrs. Robert Darling and family.

Mr. and Mrs. Eric Acker of Chicago visited Sunday in the Robert Darling home.

Mr. and Mrs. J. M. Gorrell spent the week end in Benton Harbor, Mich., with her parents, Mr. and Mrs. A. C. Harmon. Upon their return Tuesday with their family the Gorrells will leave for their new home in Stockton, Calif., where Mr. Gorrell will teach this year in the Junior college there. They have sold their home here, and had a very successful auction sale last Saturday.

For nearly 75 years coal has been produced commercially in Illinois by the process known as stripping, or strip mining.

PASTURES PRODUCE GAINS

Pastures netted nearly \$60 an acre in gains on yearling beef cattle in a recent experiment at the University of Illinois agricultural experiment station.

At the beginning of the 1948 season, 60 yearling steers were pastured for 61 days on 40 acres. They gained 216 pounds for each acre grazed. This gain, figured at 27 1/2 cents a pound, gives a return of \$58.35 an acre for the two-month pasture period.

BASEBALL

Midlothian Beats Sportsmen 6 to 5

Sunday August 23, the Sportsmen traveled to Midlothian to take a ninth inning licking by a score of 6 to 5. Tinley scored 3 runs in the first inning due to Buttons' wildness. Cummins first up walked; Anfield was called out on strikes; Sullivan was hit by a pitched ball; Nasebandt was also hit by the pitcher filling the bases. Anderson singled Cummins and Sullivan home. Nasebandt taking second. Snow singled. Nasebandt scoring and Anderson took second; but was picked off for the second out. Kuech next up rolled to Ficker forcing Snow for the third out. Midlothian grabbed one run back in the third on two singles and 2 fielder's choices.

Tinley scored 1 more in the sixth on Kuech's single followed by Ficker's triple making the score 4 to 1. Midlothian tied it up in the last of the sixth with three runs when Wickerle singled Sevens walked, Soyk singled and Rathburn doubled.

Tinley went ahead in the seventh when Anderson singled Kuech walked and Lloyd singled making the score 5 to 4. Midlothian again tied the game up in their half of the seventh when Mayer singled. Button was safe on Fickers error and H. Minas singled.

Neither team scored in the eighth although Anderson of Tinley came thru with his fourth hit of the game.

Tinley went down 1-2-3 in the ninth. Midlothian scored the winning run in their half of the ninth when Mayer singled, Button singled; Rypchinske struck out and Minas drove a hard ground ball to Cummins but the ball took a bad hop and sailed over Cummins head for a single, Mayer scoring the winning run.

Busch Motor Sales 18, Oak Lawn 16 11 Innings

In one of the wildest games ever played, Busch Motor Sales outblasted Oak Lawn in a Southwest Suburban B league game Sunday August 29th by a score of 18 to 16. It took 11 innings to finish the job.

In these 11 innings were spread a total of 34 runs, 36 hits, 11 errors, 26 bases on balls; 24 strike outs; a home run by Tuttle and a hit by Rauch, that should have been another home run, but was only a legitimate double, when he failed to touch 3rd base.

It took four hours to play this game and kept the spectators on edge until he final inning as darkness was falling and not another inning could have been played. Six pitchers participated in this game. The game started with Busch's scoring 5 runs in the 1st inning on Kramers walk, and hits by Doogan, Rauch, W. Keuch and an error followed by walks to Cure and N. Keuch and a hit by Kramer. Oak Lawn recovered 2 runs in their half when McNichols and Ulatoski hit safely, Bulow and DeWitt walked, and a hit by I. Walsh.

Busch's scored 4 more in the second inning. Tuttle led off with a home run. Rauch singled, doubles by W. Keuch and Schmaedeke, a walk to Cure N. Keuch's hit and walks to Kramer and Doogan, completed the job.

In the 3rd inning for Oak Lawn DeWitt walked, 2 errors by the Motor boys, a fielder's choice and a double by I. Walsh were good for 2 runs.

In the 4th inning Oak Lawn scored another run on a hit and 3 bases on balls making the score 9 to 5. In the 5th inning for Busch's, Kramer walked an error and doubles by Tuttle and Rauch were good for 2 runs. In the 6th inning it looked like Orland put the game on ice when Cure, Estander error another walk, to Doogan; Tuttle's and Ludwig walked, followed by an double and Rauch's double which should have been a home run but failing to touch 3rd was out when Oak Lawn noticed the slip. This made the score 15 to 5.

In the 7th inning for Oak Lawn Bulow's hit, bases on balls to DeWitt and I. Walsh and Gunther's triple were good for 3 runs.

In the 8th inning Oak Lawn came from behind and tied the score 15 all. McNichols started with a hit, followed by hits by Bulow and DeWitt. I. Walsh was hit by a pitched ball, two more errors followed Engnell's double. McNichols' 2nd hit of the inning and a runs.

double by Ulatoski were good for 4 runs. In the 9th, neither side scored, altho the potential winning run for Oak Lawn was thrown out at the plate by Schmaedeke.

In the 10th inning for Busch's after two were out, Kramer singled, Doogan doubled and Tuttle's single scored 1 run. Oak Lawn came right back with 1 run, McNichols survived on an error Bulow singled and when DeWitt and I. Walsh walked the tying run was forced in.

In the 11th inning for Busch's after one was out Schmaedeke doubled and Cure looped a single over the infield, the ball looked like it might be caught Schmaedeke holding 2nd. This is where Estand came thru with a timely

Repairing all Streets in Mokena

Mokena is having a new face this week. Work was started Monday resurfacing Front street to the Dunham store corner. From there the street on the north side will be extended to the curb, down to the Braun alley. From the Boleman drug store, on the south side to Wolf road, the street will be extended to the curb also. It is desirable to extend the street to the curb on both sides equally, but that cannot be done as some buildings are obstructing the way.

All streets in the village are being either repaired or black-topped. The

new steets made during past several years, are being prepared for permanent black-top as soon as the foundation is settled. Some of the old streets which were very rough, are being ripped up, a prime coat applied and later a seal coat with chip stone and black top.

New stop signs have been placed on all streets leading into the village's through streets. These signs are made of wrought iron and will be painted white and black, to tie-in with the street signs and fire hydrants, all in the same color.
